

### **OmnitekStore Srl B2B Expert Printing and Auto-ID Company**

Specialising in the design and supply of identification solutions for over 30,000 customers in Italy. We are Advanced Card Specialists and deal with the best brands on the market. We develop structured projects based on our Customers' business needs and offer the best value for money combined with the highest quality.

### **The OmnitekStore brand was established in 2003 to support the growth and development of Italian companies.**

Over the years, OmnitekStore has grown by consolidating and acquiring new skills that have enabled it to integrate new product categories in order to respond to new market and customer demands.

Our experience has enabled us to include in our catalogue a carefully selected range of the most technologically advanced and cutting-edge products.

### **Reliability, Efficiency, Guarantee**

We are the point of reference for companies in terms of projects, supplies and professional solutions thanks to direct contact and ongoing partnerships with the most important BRANDS in the sector.

We can meet the requirements of any company looking for desktop and industrial thermal printing systems for plastic cards and labels, RFID, access control and gates, queue management, D.P.I. devices. Cash registers and fiscal printers, labelling machines, barcode readers and terminals, computers, palmtops and industrial tablets, as well as providing industrial production and customisation services for PVC cards.

At OmnitekStore, we strive daily to offer the best product and value for money with the best before and after sales service.

### **We serve over 30,000 customers in Italy and have found over 35,000 solutions.**

In addition to our product catalogue, our strength lies in our team of experts, who are able to provide targeted and highly specialised advice through continuous in-house training. Consisting of high-level professionals, the team of experts is able to listen to the requirements of each client, identify the most appropriate solutions and, if necessary, develop structured projects based on business needs in a specific sector.

Some of the sectors most often supplied by OmnitekStore are Commercial, Industrial, Retail, Catering, Public Administration, Healthcare, Education, Transport, Wellness Centres, Hotels, Luxury, Hospitality, Gyms, Funerary, Offices and Businesses in general.

OMNITEKSTORE.IT - Our catalogue has been published on our e-commerce site providing our customers with the option of purchasing independently with complete security.
